Urgency

### **Our Guiding Principles**

People with ALS and their families come first  
One team, one vision, one mission  
Accountability and transparency  
Diversity and inclusion  
Open communication and dialogue  
Innovation  
Collaboration

## **Our Goal**

By 2030, ALS will be a livable disease

## **Our Mantra**

Whatever it takes

We will do **whatever it takes** to:

Ensure people with ALS have access to effective treatments,  
and cases of ALS are being prevented

Empower people with ALS to engage with the world  
in the way they want

Reduce the physical, emotional, and financial burden of living with ALS

Ensure ALL people with ALS and their caregivers receive high quality services that benefit them

Create a culture of accountability to ensure meaningful impacts for people with ALS

## **Our Strategic Priorities**
