FINANCIAL STATEMENTS
JANUARY 31, 2022 AND 2021**

INDEPENDENT AUDITORS' REPORT

To the Board of Directors
The ALS Association Northeast Ohio Chapter
Dba Better Health Partnership

Opinion

We have audited the accompanying financial statements of The ALS Association Northeast Ohio Chapter (a nonprofit organization), which comprise the statement of net assets as of January 31, 2022, and 2021, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, net assets of The ALS Association Northeast Ohio Chapter as of January 31, 2022, and 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The ALS Association Northeast Ohio Chapter and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The ALS Association Northeast Ohio Chapter ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The ALS Association Northeast Ohio Chapter. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The ALS Association Northeast Ohio Chapter
- ability to continue as a going concern for a reasonable period.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Note A –Nature of Activities and Significant Accounting Policies

Nature of Activities

The ALS Association Northern Ohio Chapter's (ALSA) mission is to enhance the quality of life for individuals living with amyotrophic lateral sclerosis (ALS), to support their families and to find a cure. ALSA is supported 100% through donor contributions and fundraising efforts.

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting and accordingly, reflect all significant receivables, payables, and other liabilities. Furthermore, the accounting policies adhered to by ALSA are generally consistent with the Audit and Accounting guide for Not-For-Profit Organizations issued by the American Institute of Certified Public Accountants. ALSA has adopted ASU 2016-14, Presentation of Financial Statements of Not-for-Profit Entities, for the years ended January 31, 2022 and 2021.

Basis of Presentation

Financial statement presentation follows the generally accepted accounting principles related to accounting for not-for-profit organizations. In accordance with ASU 2016-14, ALSA has reported its financial position and activities according to two classes: Net Assets without Donor Restrictions and Net Assets with Donor Restrictions.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates. This difference may be material.

Cash and Cash Equivalents

For purposes of the statements of cash flows, ALSA considers all highly liquid cash available for current use with an initial maturity of three months or less to be cash equivalents. For the years ended January 31, 2022 and 2021, cash on the Statement of Net Assets is comprised of FDIC bank accounts with no investments qualifying as cash equivalents.

Furniture and Equipment

Furniture and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. The policy of ALSA is to generally capitalize assets over \$500 in value. Depreciation is computed using the straight-line method over the expected useful lives of the assets which range from 5-7 years. Depreciation for the years ended January 31, 2022 and 2021 was \$15,755 and \$11,281, respectively.

Donated Services

The value of contributed equipment and certain other services have been reflected in the financial statements. For the year ended January 31, 2022 and 2021 a total of \$34,500 and \$34,611 of donated services have been reflected in the financial statements which consisted of vendor services, unreimbursed mileage and donated equipment. See Note D for a discussion of donated medical equipment.

A substantial number of volunteers donate significant amounts of their time to the organization to assist with functions held during the year. No amounts have been reflected in the financial statements for these donated services because no objective basis is available to measure the value of such services.

Note A – Nature of Activities and Significant Accounting Policies (continued)

Relationship with National Organization

ALSA is a member of The ALS Association, the only national voluntary organization whose sole mission is to discover the cause and cure for ALS. The national office manages the international research portfolio, as well as the national advocacy agenda. In order to best leverage their resources and participate in these larger efforts for the greater good, the ALSA board of directors has agreed to take part in a revenue sharing arrangement in which they contribute a percentage of the Chapter's revenue to the national office in support of this work. See Note G for further discussion.

Allocation of Functional Expenses

The allocation of functional expenses between program, management and general, and fundraising is based on the management's estimate of where time and effort is being spent. These estimates can vary each year.

Income Taxes

ALSA is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. ALSA files an annual Form 990, Return of Organization Exempt from Income Tax. The organization believes that it has adequate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. As of January 31, 2022, the tax filings for the year ended January 31, 2018, and thereafter, remain subject to examination by taxing authorities.

Revenue Recognition

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers*. The ASU and all subsequently issued clarifying ASUs replaced most existing revenue recognition guidance in U.S. GAAP. The ASU also required expanded disclosures relating to the nature, amount timing and uncertainty of revenue and cash flows arising from transactions with customers. ALSA adopted the new standard effective February 1, 2019.

ALSA derives most of its revenues from donations. Revenue is recognized when the control of the donation is passed from the donor to ALSA. Revenue is recognized at a point in time and consists of obligations that are satisfied within one year or less; therefore, no disclosure of disaggregation of revenue is deemed necessary.

The adoption of the ASU has no significant impact on the financial statements of ALSA. All their revenue consists of a single performance obligation. Based on ALSA's evaluation process, the timing and amount of revenue recognized previously is consistent with how revenue is recognized under the new standard. In management's opinion, there were no material changes required to be made to previously reported revenues because of the ASU.

Note B – Net Assets with Donor Restrictions

ALSA receives the majority of its support through individual contributions and fundraising activities. All these amounts are considered revenue without donor restrictions as they are used to support the programs and operations of ALSA. ALSA also receives support through major gifts and grants. These monies are sometimes designated as revenue with donor restrictions when they are received; as the funds are utilized, they are released to net assets without donor restrictions. There were no net assets with donor restrictions during the years ended 2021 and 2022.

Note C – Fixed Assets

The loan bank lends durable medical equipment and communication devices to ALS patients in Northern Ohio. Equipment is loaned to patients free of charge and is available for as long as it is needed by the patient. During the year, certain loan bank assets and office equipment may be retired as they become discontinued or unable to be repaired. A loss of \$0 and \$2,023 was recognized on the disposal of fixed assets on the statement of activities for the years ended January 31, 2022, and 2021, respectively.

Note D – Donated Medical Equipment

ALSA receives contributions of medical equipment during the year. The policy of ALSA is to capitalize only those items with a useful life of at least 5 years and a fair market value of \$500 or greater. Most of the donated medical equipment does not meet these criteria and are not reflected in the financial statements as capital assets. The donated medical equipment that met the capitalization criteria for the year ended January 31, 2022 and 2021 was \$34,500 and \$32,500, respectively.

Note E – Deferred Revenue

ALSA receives donations from Strike Out ALS (SOALS) and Walk to Defeat ALS (Walks), the organization's major fundraisers, that may benefit future periods. For the year ended January 31, 2021, the amount of deferred revenue was \$8,909. For the year ended January 31, 2022, the amount of deferred revenue was \$0.

Note F – Fair Value Measurements

The ALSA investments are reported at fair value in the accompanying statement of net assets. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although ALSA believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs are significant observables other than quoted prices in active markets; and Level 3 inputs are unobservable and have the lowest priority. ALSA uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. ALSA does not have any Level 2 or Level 3 investments.

The following is a summary of the inputs used to value the ALSA investments as of January 31 ,2022 and 2021:

	<u>Fair Value</u>	Quoted Prices in Active Markets for Identical Assets (Level 1)
Mutual Funds, 1/31/22	<u>\$1,547,595</u>	<u>\$1,547,595</u>
Mutual Funds, 1/31/21	<u>\$1,301,729</u>	<u>\$1,301,729</u>

Note G – Liquidity and Availability of Financial Assets

The Organization regularly monitors liquidity required to meet its annual operating needs and other donor-imposed restrictions or contractual commitments. The following reflects the organization's financial assets as of January 31, 2022, reduced by amounts not available for general use because of grant-imposed restrictions within one year of the statement of financial position date. The organization has \$1,720,253 and \$1,452,824, respectively of net financial assets, all of which is cash, available for general expenditures for the years ended January 31, 2022, and 2021, as follows:

	January 31, 2022	January 31, 2021
Financial Assets at Year End	\$1,677,022	\$1,372,843
Less: Unavailable Assets for Gen'l Expenditure due to Imposed Restrictions	-0-	(8,089)
Net Financial Assets available for Gen'l Expenditures	\$1,677,022	\$1,364,754

Note H – Revenue Sharing

As part of the revenue sharing agreement between ALSA and the national office, ALSA pays 13.6% of qualifying gross revenue to the national office. The agreement provides for a 46.4% credit for any revenue restricted for research which would reduce the overall percentage paid. The total expense for revenue sharing was \$129,771 and \$126,472 for the years ending January 31, 2022 and 2021, respectively.

Note I – Rent

ALSA leases a 1,663 square foot of office space with 500 square feet of storage space. Effective August 1, 2021, a new amendment to the lease was negotiated, which expires on July 31, 2025, with a base monthly rent and annual cost adjustments. The storage space is fixed for the lease term at \$375 per month. There is one five-year option to renew. Rental expense for the years ended January 31, 2022 and 2021 was \$33,354 and \$39,388 , respectively.

The minimum lease payments for the next five years are as follows:

January 31, 2023	36,748
January 31, 2024	32,771
January 31, 2025	33,187
January 31, 2026	33,603

Note J – Employee Benefits

ALSA has a Simple IRA plan where the employees can annually contribute a maximum of \$12,500 (\$15,500 if age 50 or over). ALSA contributes 3% of the employee's gross wages not to exceed the employee contribution. The contribution made by ALSA for the years ended January 31, 2022 and 2021 was \$15,831 and \$12,992, respectively.

Note K – Concentration of Credit Risk

Checking accounts are maintained at local commercial banks. The Federal Deposit Insurance Corporation (FDIC) guarantees accounts against loss up to \$250,000. From time to time during the year, the balance in the ALSA's checking accounts exceeds the FDIC limits.

Note L – Other Matter

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) originated in Wuhan, China which subsequently spread to other countries, including the U.S. On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic. Multiple jurisdictions in the U.S. declared states of emergency and it is anticipated that these impacts will continue for some time. ALSA had a decrease in revenue by 20% for the year ended January 31, 2021. This is primarily the result of their inability to hold their two major fundraisers, SOALS and Walks season, in the fall. On April 23, 2020, ALSA received \$120,827 from the Payroll Protection Program (PPP) which they used to fund payroll for the year ended January 31, 2021. ALSA received full forgiveness on the Loan as of March 28, 2021, thus recognized income in other income on the statement of activities for the year ended January 31, 2021. On October 12, 2021 ALSA received an additional \$134,222 from the Payroll Protection Program (PPP) which they used to fund Payroll for the year ended January 31, 2022. ALSA received full forgiveness on the Loan as of April 1, 2022, thus recognized income in other income on the statement of activities for the year ended January 31, 2022. As of November 16, 2022, the date these financial statements were available to be issued, ALSA has approximately twelve months of liquidity on hand in cash and investments to meet current obligations.
