

Caregiver & Family Groups

2023

Caregiver and Family meetings are open to those caring for persons with ALS. Attending a caregiver meeting enables family members to exchange ideas and strategies, discuss difficult topics or gain a sense of community by being a part of a group of others who are also caring for a loved one with ALS. You are not alone.

Group Meeting Schedule

Leader: Kelsey McClain, LISW-S

Meeting Time: 6:30 PM - 8:00 PM

Typical Week Day: Tuesday

Meeting Dates:
