

ALS Care Grant: Application Steps

Please read instructions carefully.

The ALS Association's ALS Care Grant will only reimburse for needs related to your ALS diagnosis that occur within the calendar year. Funds are meant to assist with costs of living with ALS such as:

- Durable medical equipment and medical supplies
- Home modifications
- In-home and respite care
- Professional services (Examples include allied health providers and therapy and medical appointments)

The ALS Care Grant will provide a maximum benefit of \$ 2000.00 per client annually. Grants are provided based on availability of funds.

Step 1: Complete the application form- fill out completely and sign it.

Step 2: Return the completed form to midatlantic.caregrant@als.org or via US Mail at the office address listed on the application form. Please do not include any receipts for reimbursement with your application; however, you may be asked show proof of expenses in case of an audit.

Step 3: Upon approval, you can anticipate payment in the mail in approximately 3 weeks. Please note that your payment will arrive in the mail and will not include the ALS Association name or logo; instead, the name bill.com will appear on the return address section of the envelope.

Step 4: You will receive an award letter and survey, please complete the survey after you receive your check. This survey will assist us in assessing grant benefits and ensure future funding for the ALS Care Grant Program.
