

* Questions

***Period covered by this report:**

***Summarize the accomplishments by each specific aim for this period, including results, experimental challenges preventing progress and how you have tried to solve them.**

*Were any substantial amendments made to the original specific aims or research protocol during the past six months?

*What do you plan to do during the next reporting period to accomplish the goals and objective?

Use this space at your discretion to report any significant unobligated balances, significant changes to scope of work, any significant changes in personnel, etc.

* Publications

Please list all publications since your last interim report by clicking the plus sign listed below. If there are no additional publications to report, please click on the box for No Publications.

| Status | PMID | Title | Journal |
|--------|------|-------|---------|

*Inventions

Have any inventions or patents on inventions, discoveries or ideas discovered or developed by the Grantee under the Scope of Work resulted from the award during the reporting period or planning to patent in the coming months? If yes, did you notify The ALS Association through an email communication to researchgrants@alsa-national.org? If you do not have any inventions to report, please click on the box No Inventions.
