Annually

## State Affairs Priorities

Increase access to affordable  
and non-discriminatory  
**insurance coverage, telehealth  
services and genetic testing**

Expand **state funding** for ALS  
research, clinics and care  
services

Increase access to and  
affordability of **medications  
and equipment**

“

Being an advocate has  
helped me take back my  
power even as my physical  
strength has diminished. It  
has truly transformed my  
life and my future.

– Jessy Ybarra  
Advocate Living with ALS
